PUBLIC NOTICE OF HEARING ON THE APPLICATION OF ARIZONA AMERICAN WATER COMPANY FOR FINANCING APPROVAL AND OTHER APPROVALS ASSOCIATED WITH A TRANSACTION WITH ITS AGUA FRIA WATER DISTRICT AND THE MARICOPA COUNTY MUNICIPAL WATER CONSERVATION DISTRICT NUMBER ONE (DOCKET NO. W-01303A-05-0718)

On October 11, 2005, Arizona-American Water Company ("Applicant") filed with the Arizona Corporation Commission ("Commission") an application for certain approvals associated with a transaction with its Agua Fria Water District and the Maricopa County Municipal Water Conservation District Number One ("MWD") in order to enable Applicant to obtain treatment at the planned White Tanks Plant of a portion of Applicant's Central Arizona Project ("CAP") Water allocation. MWD proposes to construct a regional water-treatment facility known as the White Tanks Plant to treat surface water delivered over CAP facilities. In association with the planned transaction with MWD, Applicant requests Commission approval of the issuance of evidence of indebtedness in the amount of approximately \$37,414,000 for a 40-year capital lease obligation with an interest rate of 275 basis points over the long-term Treasury bond rate; approval of the transfer of certain assets to MWD; and approval of proposed increases to and an extension of Applicant's existing CAP Hook-Up Fee tariff assessed to new-home construction. In association with the capital lease, Applicant also seeks Commission approval of its proposed ratemaking treatment and recovery method for capital and operating costs; and a prudence finding.

The Commission's Staff will make a recommendation to the Commission regarding Applicant's proposals. The Commission will determine the appropriate relief to be granted based on the evidence of record in this proceeding. The Commission is not bound by the proposals made by the Company, Staff, or any intervenors and, therefore, the relief granted in this proceeding may differ from that requested by the Applicant. Copies of the application and proposed tariffs are available at the Company's offices 19820 North 7th Street, Suite 201, Phoenix, Arizona 85024, and the Commission's offices for public inspection during regular business hours. Copies of all filings by all parties in this proceeding are also available on the Commission's website at www.cc.state.az.us using the eDocket function.

The Commission will hold a hearing on this matter beginning March 7, 2006, at 10:00 a.m., at the Commission's offices, 1200 West Washington, Phoenix, Arizona. Public comments will be taken on the first day of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you would like to intervene, you must file a written motion to intervene with the Commission, and you must send copies of the motion to the Applicant or its counsel, and to all parties of record in the case. Your motion to intervene must contain the following:

- 1. Your name, address, and telephone number, and the name, address, and telephone number of any party upon whom documents are to be served in your place, if desired.
- 2. A short statement of your interest in the proceeding (e.g., a customer of Applicant, a shareholder of the Applicant, etc.).
- 3. A statement certifying that a copy of your motion to intervene has been mailed to Applicant or its counsel and to all parties of record in the case.

Arizona Administrative Code R14-3-105 governs the granting of intervention in this proceeding, except that all motions to intervene must be filed on or before January 23, 2006. The granting of intervention, among other things, will entitle an intervenor to present sworn evidence at hearing and to cross-examine other witnesses, and to be mailed copies of all filings made in the case. You do not need to intervene in order to appear at the hearing and make a statement for the record, or to file written comments in the record of the case.

If you have any questions or concerns about this application or have any objections to its approval, or wish to make a statement in support of it, you may write the Consumer Services Section of the Commission at 1200 W. Washington St., Phoenix, AZ 85007, call 1-800-222-7000, or appear at the hearing and provide comment.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting Linda Hogan, ADA Coordinator, voice phone number 602/542-3931, E-mail lhogan@azcc.gov. Requests should be made as early as possible to allow time to arrange the accommodation.
